

SACRED WOMANHOOD

Weekend for Woman on their female spiritual path

by ORNA RALSTON

30 October until 1 November 2020

CONTENT:

This is an invitation to woman as wisdom holders of sacred knowledge. The knowledge of love and compassion, connection and belonging that is stored in all of us women. It is an invitation to women who want to free themselves for their inner truth and outer coherence. It is a sensual journey through touch, sound movement, prayer, stillness and tears of sadness or joy...Orna is well known for creating a safe space for inner change and a peaceful environment which gives you the opportunity to enter your core and arrive home in your body and soul.

About Orna Ralston:

Orna is a professional singer rooted in shamanic background and a spiritual teacher. She has the intuitive gift of clear hearing and clear sensing. She has the gift to connect heaven and earth and creates a sacred, safe space in which you can meet yourself, heal and develop. During the workshop for women she works with rituals, ceremonies, dance, singing, sound and touch. Her way of teaching is clear, intense and with humour. More about Orna www.ornaralston.ch
