

# SACRED WOMANHOOD

Ons open weekend in november 2021 was prachtig! Omdat niet iedereen deel kon nemen, we werkten met een wachtlijst, heeft Orna besloten in Maart nog een open weekend aan te bieden.

Open Weekend for Woman on their female spiritual path

by ORNA RALSTON

4 -6 March 2022

## CONTENT:

This is an invitation to woman as wisdom holders of sacred knowledge. The knowledge of love and compassion, connection and belonging that is stored in all of us women. It is an invitation to women who want to free themselves for their inner truth and outer coherence. It is a sensual journey through touch, sound movement, prayer, stillness and tears of sadness or joy...Orna is well known for creating a safe space for inner change and a peaceful environment which gives you the opportunity to enter your core and arrive home in your body and soul.
